

## **Shoprite assists KZN relief efforts following extreme weather**

Shoprite acted immediately to help community members affected by the extreme weather in parts of KwaZulu-Natal since Monday.

The Shoprite Mobile Soup Kitchens have been serving warm meals to thousands of displaced residents and continues to serve 4 000 warm meals (consisting of soup and bread) in the province every day. They are currently serving in the vicinity of Tongaat and Newcastle.

Hundreds of blankets and care packages – containing essentials such as soap, face cloths, toothbrushes, toothpaste and lotion – are also being distributed to affected families in partnership with [Gift of the Givers](#).

“We remain in close contact with the relevant disaster relief organisations and authorities to determine what aid is required and how we can be of further support,” says Sanjeev Raghubir, Chief Sustainability Officer at the Shoprite Group.

Customers wishing to support relief efforts can donate non-perishable foods at the collection trolleys available in all Shoprite and Checkers supermarkets across KwaZulu-Natal, or donate as little as R5 to the [#ActForChange Fund](#) at the till point in all [Shoprite](#), [Checkers](#) and [Usave](#) supermarkets nationwide. 100% of donations collected will go to Gift of the Givers in support of relief efforts nationwide.
